

2 Lhag Mooar

Accessibility statement

The property has a drive wide enough for 2 cars. The only step in the bungalow is from the lounge onto the patio and there are two steps in the garden. Most doors are 750mm. Unfortunately, one of the door openings is only 680mm making the accommodation unsuitable for full-time wheelchair users. The en-suite shower has a shallow base and hence a very low step. Kitchen, bathroom and en-suite are all furnished with lever taps. All room doors have lever handles.

We do not accept pets, however, if you wish to bring an assistance dog please contact us to discuss your requirements.

If you have any special requirements please don't hesitate to contact us and we will do our best to meet your requests.
