Accessibility Statement

At St Marks Country Park we want to make everyone's stay as enjoyable as possible. We aim to accurately describe our facilities and services to give you the confidence to book the right holiday for your specific requirements.

Our thatched roof Tholtans' are all on one level. There is a small threshold to step over to access the Tholtan. Once inside there are two bedrooms (1 double bedroom and 1 bunk bedroom). There is a lounge/diner/kitchen which has a couch, dining table and 4 chairs and a sink with cold running water, a multi fuel burner and 2 ring gas hob.

The Tholtan's are off grid and have no electricity, TV or Wi-Fi therefor anyone with sight or mobility restrictions may struggle during the hours of darkness as only torches and battery-operated lighting is on the premises.

A composting toilet and gas operated hot shower is in a separate unit behind the Tholtan and is accessed by going out through the main entrance and walking around the back, again during hours of darkness only torchlight will be used.

There is an area out to the front and side of the Tholtan which is laid to grass and has a wooden table and bench set for admiring the surrounding countryside.

Only assistance dogs are allowed on site

The Park has an on call manager 24 hours a day
