

Accessibility Statement for Orrisdale Cottages, Ballasalla, Isle of Man.

Introduction

Orrisdale Cottages are situated approximately 200 metres off the Castletown/Douglas Road and approximately 1 mile from Ballasalla. The cottages are accessed along a short tarmac drive into the courtyard. The courtyard is concrete with ample parking for vehicles for all the cottages outside each unit.

Unfortunately we are unable to welcome full-time wheelchair users to the cottages as access into them is via stepped thresholds. Also there are narrow doorways and changing floor levels inside. The two storey cottages are split level living accessed by stairs with tight turns.

We do not accept pets, however, should you wish to bring your assistance dog please contact us and we will do our best to facilitate your needs.
