THE DINING CAR

EST. 2013

It's full steam ahead for great gastronomical experiences with Isle of Man Railways during 2024.

Built in 1905 and restored in 2013, the plush Dining Car is celebrating 11 years in service. One of only a handful of fine dining narrow gauge dining cars in the world. The sumptuous surroundings of its saloon carriages hark back to the Pullman-style fine dining of yesteryear although there is nothing old fashioned about the fabulous food served on board.

Mouth-watering menus offer the best seasonal home grown produce teamed with carefully chosen wines, beers or soft drinks from the Bar Car. Choose from Classic Favourites, Theme Steam, our new Steam Quiz nights, Sunset Dining experiences or try one of the family events and lunches.

You can also book the Dining Car for wedding parties, corporate and other private hire events, which can be tailored to individual requirements through hireme@gov.im.

Please advise of any dietary requirements at time of booking. For some multiple courses not all requests can be catered for and menus may vary according to seasonal fare availability.
