Welcome

Cammall Farm holiday cottages were originally a Manx stone barn. This has been tastefully converted into two self-contained units, with all of the modern comforts of home.

Situated on the picturesque western side of the island and with a backdrop of the impressive Kirk Michael hills, Cammall Farm offers a beautiful location for your stay and an excellent base for any type of holiday to the Isle of Man.

The elevated location of the cottages mean that you can watch amazing sunsets before you retire for the day and wake up to a fabulous sunrise across the fields, hills and mountains, offering no better start and finish to your days. You can even admire our farm animals grazing nearby.
