

Accessibility Statement – Baltic Inn

The Baltic Inn is a traditional Village Pub situated in the heart of the Isle of Man namely Foxdale Village

Access

Ground floor and bar area is accessible however access to the upper floors and bedrooms is by stairs only; unfortunately we do not have a lift and therefore regret we are unable to accommodate full time wheelchair users.

There is a disabled toilet in the bar with plenty of space for wheelchair access. The toilet fittings are in line with requirements including fold down handles / support rails.

By all means please call ahead let us know you are coming, we are always happy to assist should you need it.
