

Golf View

Access to the Apartment is as follows:

Four steps down from the pavement onto the path and to the front door.

One Small step into the property (doorstep) into the open plan kitchen and lounge.

The property is a ground floor apartment.

The entrance to the main bedroom is quite narrow so may not be suitable for a wheelchair user. This is the same for the ensuite which is also a narrow corridor.

Both bathrooms have walk in showers.

There is a patio to the rear of the property with access from both bedrooms by means of a door and a step down.

All doors are handle doors.

Parking is available on the road and the layby across the road.

The area is lit with street lights and the property is clearly identified by the apartment number.

Whilst wheelchair users are welcome, the steps down from the road may prove to be difficult and it is quite narrow in places within the apartment.

We do not accept pets, however we do accept assistance dogs, please contact us to discuss your requirements.

Please contact visit@islandescapes.im for further property details.
