# PORT ST MARY PROMENADE WALK

*Cassan Shooylaghan Phurt le Moirrey*

## ROUTE (FROM THE STATION ROAD/PROMENADE CAR PARK)

- Head down the promenade and follow all the way along the surfaced path until you arrive at Beach Road (Gansey/Carrick).
- Turn back the way you came following the surfaced path back to the promenade.
- On returning to Bay View Road turn left and head to the Remembrance Garden (opposite the Bay View Public House) for a rest and to appreciate view of the harbour.

## ACTIVITIES

- Why not head onto the beach for some stone skipping? How many skims can you do?
- How many benches are along the promenade?
- What Am I? – This can be played with just 2 or lots of walkers. The group can choose a category like animals, countries, good or famous people. The person who is 'it' thinks of something from the category and gives 2 or 3 difficult clues to the identity of the thing they are thinking of. Guessers then get to ask yes or no questions before trying to guess the identity of the object.
