

# Visiting the Isle of Man

Like many other destinations at this time, we are mindful of changes that are happening beyond our shores and we must remain vigilant to protect our Islanders and our visitors. With this in mind, please see the eligibility criteria below which will be applicable from Monday 28th June.

**Have you been fully vaccinated (had both doses of the vaccine, which have been administered in the UK, Ireland or Channel Islands) and two weeks have passed since the second dose, and been (or will have been) in either the UK, Ireland, Jersey and Guernsey in the 10 days prior to travel to the Isle of Man?**

We're delighted to welcome you back to the Isle of Man from the 28th June 2021. Please see more information below.

**YES**

**NO**

Travel to the Isle of Man will remain temporarily prohibited.

## Prior to booking

We suggest contacting your travel insurance provider to fully understand what your insurance covers and reading the booking terms and conditions of any travel, accommodation, activity, attraction, eatery etc. you wish to make a booking with to ensure you are content with their booking, cancellation and flexibility terms.

## Before departure

All visitors must complete a Landing Form within 48 hours prior to arrival. Here you will be required to upload evidence that you are fully vaccinated with two weeks passed since the second dose). This can be a screengrab of your NHS app, a photo/scan of your vaccination card or an eligible vaccination proof letter/certificate.

Please note that you will require ID upon arrival, this can include a passport, driving license or an official ID card.

## On arrival

If you have not travelled outside of the UK, including Northern Ireland, Jersey, and Guernsey, in the 10 days prior to travel to the Isle of Man, you will not be required to take a test or quarantine upon arrival.

If you are travelling with children between 5 – 17 years old who are not fully vaccinated, they will be subject to a “test to release” pathway costing £30 per child. For this pathway, each child must have a COVID-19 Test within 48 hours of arrival and quarantine until they receive a negative result. If they are still in the Isle of Man on day 6, they will also be required to take another test for ongoing monitoring and assurance purposes.

Children under the age of 5 are exempt from any testing and quarantine.
