

VISITOR CHECKLIST

Ensure you know which **entry pathway** you are travelling on and use the checklist below to make sure you have everything ready for your trip to the Isle of Man

Pre Arrival

- I have completed the [Vaccination Exemption](#), uploaded my vaccine evidence and received a Vaccine Exemption reference number or I have completed the [Immunity Exemption](#), uploaded my proof and received an Immunity Exemption number or I have received my Manx Entry Permit Number and have been approved to visit the Island.

This must be done at least 36 hours before your scheduled arrival on the Isle of Man. If you are planning multiple trips to the Island, you only have to complete this once - make sure to keep a note of your reference number!
- I have completed the [Landing Form](#) and I have received a QR code/barcode to scan on arrival in the Isle of Man. The Landing Form must be completed no earlier than 48 hours before your scheduled arrival. The QR code/barcode can be saved to your mobile device or printed ahead of arrival.
- If I am not able to complete the Vaccination Exemption/Immunity Exemption or Landing Form ahead of arrival, I have a hard copy of my vaccine evidence or natural immunity evidence to bring with me to the Island.
- I have pre-booked a COVID-19 PCR test on the Isle of Man within 48 hours of arrival as I, or one of my party is travelling under a PCR test pathway if applicable.
- I plan to take a Lateral Flow Test before departure to try and reduce likelihood of returning a positive result on arrival and having to isolate for 10 days.
- I have appropriate travel insurance in place in case of any extended stay through isolation/illness.
- I have spoken with my accommodation provider and understand their Terms & Conditions.
- I will collect a Lateral Flow Test on arrival to the Island so I can take the test within 12 hours of arriving on the Isle of Man as I am travelling under a LFT pathway.

You are ready to travel...

Keep all your documents easily accessible to present at the entry point to help you start your #IOMstory with ease.

Arrival on the Isle of Man

- I have the QR code/barcode required for scanning at the border
This can be saved to your mobile device or printed
- I have a form of approved identification ready to be presented at the entry point
Approved identification can be one of the following documents: a valid passport (i.e in date); an expired passport; Valid EU/EEA or Swiss national identity card; Valid driving licence (full or provisional); Valid armed forces identity card; Valid police warrant card/badge; Citizen Card or Civilian Card available from www.citizencard.com; Valid firearm certificate; Valid government-issued identity card; NHS SMART Card; Electoral identity card (Northern Ireland); NUS card (National Union of Students); University/college ID Card; Company ID card of nationally recognised company; Local Authority issued bus pass with photo; Young Scot card; Disabled badges which have a photograph of the holder; [VALIDATE UK PASS](#) photographic proof of age card
- I have a hard copy of my vaccination evidence or natural immunity proof, just in case any issues arise
- I have uploaded the results of my Lateral Flow Test onto the online facility within 12 hours of arrival.
- I understand what I have to do if I return a [positive Lateral Flow or PCR test](#).
