Community Ranger Volunteer Charter

Community Ranger Volunteers will make a valuable contribution to improving and maintaining the natural beauty of the Island for residents and visitors. The purpose of this charter is to set out clearly what you can expect from us and what we hope you will do while volunteering your time as a Community Ranger.

What we will do:

Whilst you are volunteering as a Community Ranger you can expect us to:

- send you contact details of the Lead Ranger for your area so you can ask questions or raise any problems you might have in relation to volunteering;
- plan tasks/jobs in advance and ensure that the volunteers allocated to a job have the right mix of skills and experience;
- provide you with a briefing before the job starts and give you all the information, training and support you need to help you carry out the jobs;
- send you details of the future tasks/jobs so that you can choose which jobs you would like to support by volunteering;
- We will provide liability insurance in relation to your volunteering activities. We recommend that anyone using their car for volunteering activity should notify their insurer).
- We provide a safe working environment in accordance with our health and safety policy.
- Equal opportunities policy will apply to the volunteers.

What we ask you to do:

- to look out for emails, WhatsApp messages and text messages sent to you that set out details of the next task/job;
- to arrive on time at the agreed meeting place for each task/job for which you have agreed to volunteer;
- to advise the Lead Ranger if you are unable to attend a task/job for which you have agreed to volunteer, as soon as possible;
- to be friendly and respectful towards all volunteers and work together to help each other deliver the task/job;
- to wear safety clothing and other protective equipment and to carry out a task/job in the way requested so that you and others in your team are safe;
- to attend any training and meetings that are necessary for you to support and develop your volunteering role;
- to treat as confidential any personal information you receive in accordance with the Community Ranger's data protection policy;
- to keep in touch with your named contact and let her or him know of any problems you may have in your voluntary role;
- to ensure all tools and equipment are returned and are cleaned at the end of each job/task;
- to make your own arrangements for transport to and from the meeting point and to return all equipment.
