1.0 visitsleofman.com

In 2016, The VisitsleofMan.com website went under a refresh due to dated functionality and limited product cross-selling opportunities.

This means a mobile-optimised website promoting all the Isle of Man has to offer with increased functionality such as an itinerary planner, mapping and cross-selling events, activities, accommodation, eateries and more, to assist the visitor in planning as much into their visit as possible!

Industry members are set up with business pages which they can log into and maintain. This provides great opportunities to promote your latest imagery, Trip Advisor reviews, opening hours, special offers and more.

Categories, location and business facilities will allow your business to be promoted in different areas across the website, suggested as a similar or nearby product, be filtered in searches and saved to a user's itinerary to be printed or saved for later.

The Vision for VisitsleofMan.com

To provide an enjoyable customer experience for people researching a potential holiday, considering booking and who have already booked and want to plan their visit.

Objectives:

- **Improve the visitors online experience**
- **Improve product cross-selling opportunities to increase visitor spend**
- **Increase UK families long and short holidays**
- **Increase short breaks (singles & couples)**
- **Extend the season, focusing initially on March and October**

Over 25 years the Regency Hotel has built up an enviable reputation as being able to consistently meet the requirements of the international travelling businessman and discerning leisure guest. The hotel prides itself on providing high standards of service and levels of sophistication.

The high percentage of guests who return time and time again is evident in itself that the Regency has achieved its goal of offering international standards of comfort and quality to meet the expectations of the experienced business and leisure traveller. Better still, this has been achieved without the need to charge big city rates.

The raison d'être at the Regency is to try and always exceed guest expectations.

The Regency consistently offers the very best facilities including the Presidential Suite with prime examples of Kenedy furniture, and Manx art work and has just completed refurbishing all its sea facing rooms.

As well as catering for short term visitors, the Regency has also recognized the demand for high quality medium term accommodation. The Regency Lodge, located 100m from the main building, combines the convenience and flexibility of a hotel with the privacy of an apartment at an affordable price.

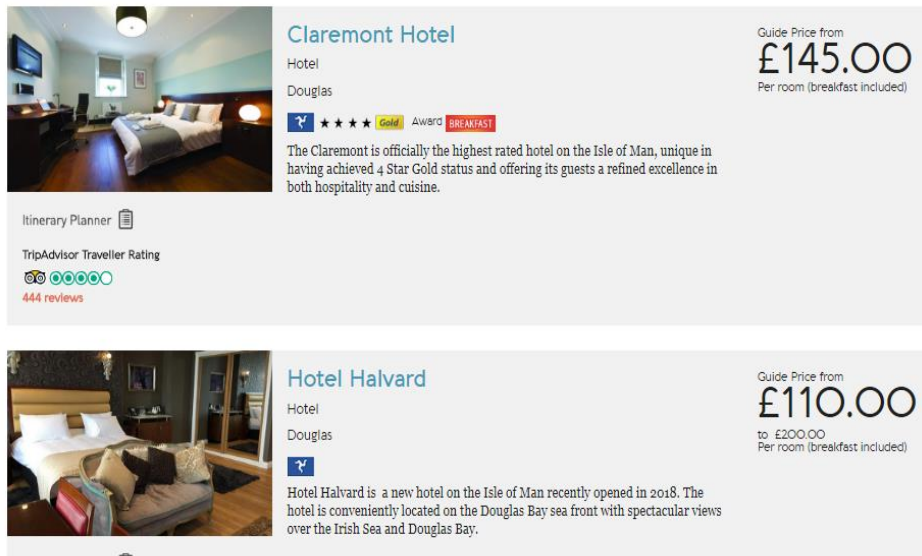

The prime location of the Regency Hotel at the north end of Douglas promenade, with panoramic views across the bay makes it the perfect choice for either business or pleasure. A courtesy shuttle operates each week day morning and can take you to either the towns centre or financial district.
