## 1.0 [visitsleofman.com](http://visitsleofman.com)

In 2016, The [VisitsleofMan.com](http://VisitsleofMan.com) website went under a refresh due to dated functionality and limited product cross-selling opportunities.

This means a mobile-optimised website promoting all the Isle of Man has to offer with increased functionality such as an itinerary planner, mapping and cross-selling events, activities, accommodation, eateries and more, to assist the visitor in planning as much into their visit as possible!

Industry members are set up with business pages which they can log into and maintain. This provides great opportunities to promote your latest imagery, Trip Advisor reviews, opening hours, special offers and more.

Categories, location and business facilities will allow your business to be promoted in different areas across the website, suggested as a similar or nearby product, be filtered in searches and saved to a user's itinerary to be printed or saved for later.

The Vision for [VisitsleofMan.com](http://VisitsleofMan.com)

**To provide an enjoyable customer experience for people researching a potential holiday, considering booking and who have already booked and want to plan their visit.**

Objectives:

- **Improve the visitors online experience**
- **Improve product cross-selling opportunities to increase visitor spend**
- **Increase UK families long and short holidays**
- **Increase short breaks (singles & couples)**
- **Extend the season, focusing initially on March and October**
