VISIT
ISLE OF MAN 

KEY INFORMATION

Travelling from UK, Ireland and Channel Islands (the Common Travel Area)

If you have been in the UK, Ireland or the Channel Islands for 10 days prior to travel and are fully vaccinated against COVID-19, meaning you have had both doses and two weeks have passed since the second dose, the Island is delighted to welcome you back from 28th June 2021.

- At this stage visitors who have had two doses of the Pfizer, Moderna or AstraZeneca COVID-19 vaccine administered in the UK, Ireland, Channel Islands or the Isle of Man will be able to visit the Isle of Man without testing or quarantine on arrival. In addition, 14 days must have elapsed since receiving the second dose.
- For visitors who have not had any doses of the vaccine, had one dose, or their second dose was not 14 days prior to travel, restrictions apply as per the [Isle of Man Borders Framework](#). In these instances, to enter the Isle of Man you must be resident here or they can apply for an exemption to travel here if you have immediate family on the Island, own property here, or have an offer of employment for a period of three months or more. These approved visitors will be subject to the 'Test to Release Pathway' and you must isolate pending a negative test result. Tests must be booked in advance, this can be done over the phone by calling +44 (0) 1624 822111 or online.

Restrictions

Visitors **must not** enter health and social care settings (including GPs, Dentists, Opticians, Care Homes) until 10 days after arrival; unless prior approval has been sought. If you are required to seek emergency treatment within the 10 days please call ahead.

There is no legal requirement to wear face coverings, socially distance or to limit the numbers of people gathering indoors or outdoors. There are no 'bubbles' and you may meet with members of other households. Everyone is advised to think about [Hands, Face, Space and Fresh Air](#) to reduce the risk of any potential transmission. We encourage you to bring your own lateral flow testing kits with you to the Island and continue to test during your visit.

Entry to the Isle of Man

Travel to the Isle of Man is permitted so long as:

- ✔ You have received both doses of one of the COVID-19 vaccines mentioned above at least two weeks ahead of your arrival date which has been administered in the UK, Ireland, Channel Islands or the Isle of Man
- ✔ You have been in the UK, Ireland or Channel Islands for 10 days prior to travel to the Isle of Man and not outside of The Common Travel Area.
- ✔ You do not have any symptoms of COVID-19.

As long as you meet the above requirements:

- No negative test is required before travel to the Isle of Man.
- No test is required upon arrival to the Isle of Man.
- There is no requirement to isolate upon arrival in the Isle of Man.

Travelling from Europe or anywhere outside the Common Travel Area

Anyone travelling from outside the Common Travel Area will not be permitted to travel to the Island unless you are an approved visitor that meets the requirements as per the [Isle of Man Border Framework](#).

Unless you have been in the Common Travel Area for 10 days prior to travel, you will be subject to the '7 Day Pathway' where you must have a COVID-19 test within 48 hours of arrival and isolate for 7 days. A further test must be taken on day 6, and if negative you can leave isolation on day 7, if positive you must continue to isolate. There is a charge of £30 per person for this pathway.

Any person who does not wish to be tested will be subject to the '21 day default isolation'

For further information on the pathways please visit: <https://covid19.gov.im/general-information/current-travel-restrictions>

Requirements for children travelling to the Isle of Man

Ages 5-17: Any children between 5-17 years old who have not yet been fully vaccinated will be subject to the '[Test to Release Pathway](#)' and tests will be free of charge. Each child must have a COVID-19 test within 48 hours of arrival on the Island and quarantine until they receive a negative result. Adults who are fully vaccinated do not need to isolate with the children, however may choose to do so. Tests can be booked by called +44 (0) 1624 822111 (between 8am-8pm, 7 days a week) or online. Landing forms must have been completed before booking a COVID-19 Test.

Ages 0-4: Infants aged 0-4 are exempt from testing and quarantine.

PLANNING YOUR VISIT

Prior to booking

↳ We suggest contacting your travel insurance provider to fully understand what your insurance covers and reading the booking terms and conditions of any travel, accommodation, activity, attraction, eatery etc. you wish to make a booking with to ensure you are content with their booking, cancellation and flexibility terms.

Visitors travelling to the Island will be asked for evidence of double vaccination before entering the Isle of Man. This evidence can be uploaded when completing the Vaccination Exemption.

Before departure

↳ All visitors must complete a Vaccination Exemption at least 36 hours before your scheduled arrival on the Isle of Man. The Vaccination Exemption can be found here: <https://covid19.gov.im/general-information/eligibility-and-application-forms/>. This process only needs to be completed once if you are planning to travel to the Isle of Man multiple times.

Here you will be required to upload evidence that you are fully vaccinated and two weeks have passed since you have received your second dose. Below is a list of accepted vaccination evidence. One entry form per visitor must be completed, including one for each child under 18. Once verified you will then receive approval via email which will include your Vaccination Exemption reference number.

A Landing Form must then be completed no earlier than 48 hours before your scheduled arrival. One landing form per visitor must be completed, including one for each child under 18. Please note you will require ID upon arrival (see Page 8 for approved identification). You will require your Vaccination Exemption reference number to complete the Landing Form.

You will then receive a QR code/barcode which will be scanned upon arrival to the Island. This can be saved on your mobile device or printed ahead of arrival.

You can download helpful infographics to help make your holiday preparation simple and understand the different pathways to visiting the Isle of Man by [clicking here](#).

Make sure you have followed this process before arriving in the Isle of Man:

- ✓ You have completed one Vaccination Exemption per visitor and uploaded your proof of vaccination at least 36 hours before travel to the Island.
- ✓ You have completed one Landing Form per visitor within the 48 hours prior to your arrival.
- ✓ You have received the QR code/barcode required for scanning when you arrive on the Island.
- ✓ A form of approved Identification - see Page 8
- ✓ Proof of your vaccination.

Evidencing your vaccination history

Visitors travelling to the Island who have received both doses of the COVID-19 vaccine, at least two weeks ahead of your arrival date will be asked for evidence of two vaccinations before entering the Isle of Man.

Both doses must have been administered in a country belonging to the Common Travel Area.

Evidence can include:

- NHS England secure paper letter. [Apply here.](#)
- NHS Scotland secure paper letter. [Apply here.](#)
- NHS Wales secure paper letter. [Apply here.](#)
- Bailiwick of Guernsey secure paper
- States of Jersey secure letter
- NHS app PDF
- Isle of Man Government issued vaccination card
- Screen shot of Patient Access App

If you are completing any forms on arrival you must have one of the above ready to show at the Sea Terminal or airport.

PLANNING YOUR VISIT

On arrival

If you have had both doses of the COVID-19 vaccine (and 14 days have elapsed since the second dose) and have not travelled outside of the Common Travel Area in the 10 days prior to travel to the Isle of Man, you will not be required to take a test or quarantine on arrival.

If you are travelling with children between 5-17 years old who are not fully vaccinated, they will be subject to a 'Test to Release Pathway' and tests will be free of charge. For this pathway, each child must have a COVID-19 test on the Island within 48 hours of arrival and quarantine until they receive a negative result. If they are still in the Isle of Man on day 6, they will also be required to take another test for ongoing monitoring and assurance purposes.

Children under the age of 5 are exempt from any testing and quarantine.

Keep all of your documents easily accessible to present at the entry point to help you start your #IOMstory with ease.

Arrival at the Sea Terminal or Airport

When you arrive and disembark at the Isle of Man Sea Terminal or Airport, there will be a 2 lane system, a lane for visitors who have all documentation and a lane for those who do not have all their documentation. This process is the same for those arriving on foot or by car.

If you have the following documentation ready on arrival to the Isle of Man, then you will go through one lane:

- A completed Vaccination Exemption and vaccination evidence uploaded
- A completed Landing Form
- A QR Code/Barcode

You will require your identification and QR code/barcode ready to be checked and scanned at the entry point.

If you have not completed all, or have only completed some of the required documentation then you will go through the other lane. You will be required to complete any outstanding documentation on arrival to the Isle of Man via electronic or paper versions.

Please ensure you have your proof of vaccination as this will be required if you are completing a Vaccination Exemption on arrival.

Please note this is a manual process and it will take time for the team to process and approve each form which could cause you delays. It is advisable to do as much as possible ahead of arrival to the Island.

If for any reason entry to the Isle of Man is denied; you will be required to self-isolate and will be returned on the next boat or aircraft OR if possible, returned to the UK the same day all at your own cost.

PLANNING YOUR VISIT

FREQUENTLY ASKED QUESTIONS

Q1. What do I need to consider or be aware of before booking my trip to the Island?

We suggest contacting your travel insurance provider to understand what your insurance covers and reading the booking terms and conditions of any travel, accommodation, activity, attraction, eatery etc. you wish to make a booking with to ensure you are content with their booking, cancellation and flexibility terms.

In the event you test positive for COVID-19 whilst visiting the Isle of Man, you and your party will be guided by the Isle of Man COVID-19 TII Team with regards to the requirements for testing and isolating.

Refer to the checklist on Page 13 to make sure you will have everything ahead of your arrival to the Island.

Q2. Do I need photo ID to travel to the Isle of Man?

You will be required to follow your individual travel carrier's protocol on identification to travel to the Isle of Man.

On arrival to the Isle of Man you will be required to provide a form of approved identification at the entry point. A list of approved identification can be found on Page 8 of this document.

On arrival on the Isle of Man, if any children cannot provide ID then it will not be insisted on as long as the parent/guardian shows ID.

We would advise you check with your travel carrier if your child does not have ID before you travel to the Isle of Man.

Q3. Is there a cost for the COVID-19 test for children aged 5-17 who are subject to 'Test to Release'?

No, there is no charge for children between the ages of 5-17 to be tested under the 'Test to Release Pathway'

Q4. Can I come to the Isle of Man if I have had my vaccines outside of the Common Travel Area?

Both doses of the vaccine must have been administered in the Common Travel Area.

Those visiting the Island under the current restrictions of the [Isle of Man Border Framework](#) will be subject to the ['7 Day Pathway'](#)

Q5. What if I have had the Johnson & Johnson vaccine, only one dose of the Pfizer, Moderna or AstraZeneca COVID-19 vaccine or my second dose was less than 14 days ago?

At this stage only visitors who have had two doses of the Pfizer, Moderna or AstraZeneca COVID-19 vaccine administered in the UK, Ireland, Channel Islands or the Isle of Man will be able to visit the Isle of Man. In addition, 14 days must have elapsed since receiving the second dose.

Q6. If my children, or any member of my party do not meet the vaccination requirements, may a negative PCR test prior to arrival on the Island be demonstrated instead?

At this stage, only fully vaccinated adults will be permitted to travel to the Isle of Man. If you are travelling with children from the age of 5-17 they will be subject to the 'Test to Release Pathway'. Those who have not been fully vaccinated, for whatever reason, will need to wait a little longer before being able to travel to the Island.

Q7. Is there a minimum night stay?

There is no minimum night stay for your visit to the Isle of Man.

Q8. Can I stay with friends and relatives who live on the Island or must I book into tourist accommodation?

You are welcome to stay with your friends and relatives living on the Isle of Man or in registered tourist accommodation. The Island offers a variety of registered tourist visitor accommodation from camping and glamping sites to 4 star hotels. You can view the range of accommodation on this webpage: <https://www.visitisleofman.com/stay>

If you are required to isolate due to being on the 'Test to Release Pathway' then you must follow the self-isolation rules which can be found here: <https://covid19.gov.im/general-information/self-isolation-for-travellers/>

Q9. Can I visit the Island with a friend or relative from another town, city or country and am I able to travel and stay in accommodation with them?

Please visit this page: <https://covid19.gov.im/general-information/travel-advice> for the up-to-date information on access and entry requirements for visitors to the Isle of Man.

Travellers to the Isle of Man will be required to adhere to the entry rules relevant to the area that they travelled from.

You can travel and stay in accommodation with your friend/relative who arrived from another location providing they also meet the entry requirements.

Q10. If I become ill with COVID-19 before my travel to the Island and can no longer travel due mandatory isolation, will I receive my money back?

This will depend upon the booking terms and conditions of the travel, accommodation, activities and attractions and eateries etc. that you have booked and we suggest that you read these carefully ahead of making a reservation.

You may also wish to contact your travel insurance provider to understand what your insurance covers.

We suggest contacting your tour operator, travel provider, accommodation and/or tourism service provider to discuss your situation.

Q11. I have booked a trip to the Isle of Man but cannot visit as I do not meet the requirements, will I receive my money back?

Please refer to the booking terms and conditions of the travel, accommodation, activities and attractions and eateries etc. that you have booked and discuss with them your options.

You should also contact your travel insurance provider to discuss what your insurance covers.

Tips for Planning

- Ensure you have the appropriate level of cover with your travel insurance provider
- Read the full terms and conditions of the travel, accommodation, activity, attractions, eateries etc. to ensure you are content before making a reservation. These terms may vary.
- Familiarise yourself with the latest guidance on the official Isle of Man Government COVID-19 website: <https://covid19.gov.im/>
- You can help protect our Island by being safe, smart and kind - think Hands, Face, Space and Fresh Air

TRAVELLING TO THE ISLE OF MAN

FREQUENTLY ASKED QUESTIONS

Q1. Do I need to fill in a form before arriving on the Isle of Man and if so where do I get the form?

Yes, you must first complete a Vaccination Exemption at least 36 hours before your travel to the Isle of Man where you will be asked to provide evidence of your vaccination status. A list of acceptable evidence can be found on Page 3. The Vaccination Exemption can be found here: <https://covid19.gov.im/general-information/eligibility-and-application-forms/>. You will then receive a Vaccination Exemption reference number via email. This process only needs to be completed once if you are planning to travel to the Isle of Man multiple times.

You must then complete a Landing Form no earlier than 48 hours prior to arrival; this includes completing a separate form for each child travelling (aged 0-17). You will require the Vaccine Exemption number to complete the Landing Form.

The information on this form will be used to inform contact tracing, should this be necessary. You will be asked to declare that you have not been outside of the UK, Ireland and Channel Islands for 10 days prior to your arrival on the Island.

The Landing Form is available here: <https://covid19.gov.im/general-information/landing-forms/>

If you are unable to complete either or both of these forms prior to arrival, there will be electronic and paper versions available at the Isle of Man Airport and Sea Terminal upon arrival. Please ensure you have your proof of vaccination and identification with you. Please be aware that forms completed on arrival are required to be processed by the team at either location so you may incur a delay before you will be able to enter the Island.

The penalty for providing false information is a maximum penalty (summary – 3 months custody, a fine not exceeding 4 times level 5 on the standard scale (£40,000) or both).

Q2. Do I need to have a negative COVID-19 test before travelling to the Isle of Man?

No, you do not need to produce evidence of a negative COVID-19 test prior to travelling to the Isle of Man.

Q3. What can I expect at the Sea Terminal and on board the boat?

If you are travelling by boat, you can find further information on the Isle of Man Steam Packet Company's website here: <https://www.steam-packet.com/information/coronavirus>

Q4. What can I expect at the airport and aboard the aircraft?

If you are travelling by aircraft you may wish to check this information on your destination and aircraft carrier (e.g. Easyjet, Logan Air) website.

To ensure your personal safety whilst travelling to the Isle of Man you may wish to consider the guidance available on this webpage: <https://www.gov.uk/guidance/coronavirus-covid-19-safer-air-travel-guidance-for-passengers>

Q5. If I become ill on the boat or aircraft, what should I do and what will happen to me?

If you become ill or experience COVID-19 symptoms whilst travelling to the Isle of Man you should make this known to a member of the team aboard the aircraft or boat.

The transport team will provide you with advice and guidance from this point onwards.

Q6. What happens if someone on the boat or aircraft which I have travelled on tests positive for COVID-19, will I be informed and will this affect my trip to the Island?

The landing form you are required to complete will request contact information for you while you are on the Isle of Man. In the event that someone who travelled on the same boat or aircraft as you tests positive for COVID-19 the Isle of Man COVID-19 T11 Team will assess the situation. If you are deemed to be a high-risk contact, you will be contacted and provided with instructions accordingly.

Tips for Travelling

- Carry a face covering on your person should you wish to use it at any time during your journey for your own safety and to protect your fellow travellers
- Carry a hand sanitiser should you wish to use it at any time during your journey
- Respect your fellow travellers' personal space
- You can help protect our Island by being safe, smart and kind - think Hands, Face, Space and Fresh Air
- Carry your vaccination evidence, QR code/barcode and ID (or other documentation) so that you can easily access it to present when required
- Passengers will be required to wear face coverings on the boat/aircraft and terminals, and follow the operator protocol.

APPROVED IDENTIFICATION

The following forms of ID will be accepted at the entry point on arrival in the Isle of Man:

- A valid passport (i.e in date)
- An expired passport

ARRIVING ON THE ISLE OF MAN

FREQUENTLY ASKED QUESTIONS

Q1. Will I be required to present a vaccination certificate upon arrival on the Island at the sea/airport terminal or upon checking into my accommodation?

You will be required to submit evidence of your vaccination status when completing your Vaccination Exemption. This can be done online here: <https://covid19.gov.im/general-information/eligibility-and-application-forms/>. You will only have to complete this process once if you are planning multiple trips to the Isle of Man (make sure to keep note of your reference number!).

If you are unable to complete your form prior to arrival, electronic and paper versions are available at the Isle of Man Airport and Sea Terminal upon arrival. You must have your vaccination evidence available to complete the Vaccination Exemption form on arrival. It is also recommended for you to carry this evidence with you during your stay on the Isle of Man should any business you are visiting request it.

Q2. Can I use public transport when I arrive on Island?

Yes, you may use public transport when arriving on the Island.

If you are required to self isolate upon arrival then you **must not** use public transport to get to your accommodation. You must use a hire car which has been dropped off to a designated area or a pre booked taxi service.

Q3. Will I need to take a COVID-19 test when arriving to the Island?

If you meet all of the entry requirements listed on Page 2, you will not have to take a COVID-19 test upon arrival on the Isle of Man. We encourage you to bring your own lateral flow testing kits with you to the Island and continue to test during your visit.

If you are travelling with children aged 5-17 who have not been fully vaccinated, they will be subject to the '[Test to Release Pathway](#)' and will be required to have a COVID-19 test within 48 hours of arrival on the Isle of Man and must quarantine pending a negative result. Children aged 0-4 are exempt from testing and quarantine requirements.

If you are arriving under the current restrictions under the '[Isle of Man Border Framework](#)' you will be subject to the 'Test to Release Pathway' and will be required to have a COVID-19 test within 48 hours of arrival.

Q4. How/where will I find out if any of the rules change either before or during my stay?

Please see this page: <https://covid19.gov.im/general-information/travel-advice/> for the up-to-date information on access and entry requirements for visitors to the Isle of Man.

We also advise you to keep up-to-date with the entry requirements and/or isolation and testing requirements when returning to your home county /country from the Isle of Man.

Tips for Arriving

- There is no legal requirement to wear face coverings, socially distance or limit the number of people at indoor or outdoor gatherings. However, people are advised to think about Hands, Face, Space and Fresh Air to reduce the risk of transmission.
- Carry a face covering should you wish to use it at any time during your visit
- Carry a hand sanitiser should you wish to use it at any time during your visit
- Respect your fellow travellers' personal space
- Ensure you are up-to-date with the entry requirements when travelling to the Isle of Man and returning to your home/forward destination as this may be subject to change as the COVID-19 situation and infection rates continue to vary.

EXPLORING THE ISLE OF MAN

FREQUENTLY ASKED QUESTIONS

Q1. Will I be required to wear a face covering or social distance when exploring the Isle of Man?

There is no legal requirement to wear face coverings, socially distance or to limit the number of people at indoor or outdoor gatherings. However while there may be currently low level risks of COVID-19 in the Isle of Man people including visitors are advised to think about Hands, Face, Space and Fresh Air to reduce the risk of any transmission.

<https://covid19.gov.im/general-information/be-safe-be-smart-be-kind/>

Q2. Do I need to pre-book restaurants, activities and attractions?

Pre-booking is not a requirement on the Isle of Man in terms of COVID-19 mitigations however this may differ from business to business. We suggest researching or contacting the eatery, or tourism provider ahead of arriving to find out whether pre-booking is a requirement.

Q3. What happens if I am contact traced during my stay?

In the event that you are contacted as part of contact tracing you will be contacted by the Isle of Man COVID-19 111 Team who will have access to your contact details from your Landing Form and they will provide instructions accordingly. If you are contact traced by your home team, please advise the Isle of Man COVID-19 111 Team who can advise you.

Q4. What should I do if I start to feel unwell with COVID-19 symptoms whilst exploring the Island?

If you begin to feel unwell with COVID-19 symptoms you must:

- Return to your accommodation and isolate

TESTING POSITIVE FOR COVID-19

FREQUENTLY ASKED QUESTIONS

Q1. What will happen if I test positive for COVID-19 whilst in the Isle of Man?

In the event that you test positive for COVID-19 you will be in direct contact with the Isle of Man's COVID-19 111 Team who will provide instructions, guidance and support you accordingly.

Q2. If I test positive for COVID-19, am I able to travel home or will I need to remain on the Island?

In the event you test positive for COVID-19 whilst visiting the Isle of Man, you will be required to carry out a period of isolation as directed by the Isle of Man COVID-19 111 Team. You will not be authorised to leave your isolation period to travel off the Island and return home without the approval of the Isle of Man COVID-19 111 Team.

Q3. If I test positive for COVID-19 will I be able to remain in my accommodation?

You must not move to another accommodation unless permission has been granted by the Isle of Man COVID-19 111 Team. Your health and wellbeing is of paramount importance to us along with containing the virus and mitigating the risk of any further transmission which may affect your fellow travellers and our community.

Where possible, you will be required to remain in your accommodation for your period of isolation. If it is not possible for you to remain in your accommodation you will be required to work with your accommodation provider and the Isle of Man COVID-19 111 Team to find an alternative and to arrange safe travel (you must not use public transport).

There is a list of accommodation offering self isolation here: <https://covid19.gov.im/general-information/accommodation-and-testing-for-arriving-travellers/>

Q4. Do I need to pay for my isolation accommodation?

Yes, it is your responsibility to cover the costs of any isolation accommodation. We suggest checking whether the cost of this is covered within your travel insurance policy before travelling to the Island.

Q5. If I continue to feel unwell with COVID-19 symptoms and require a doctor or hospital treatment, who do I contact?

If you have already tested positive for COVID-19 you will be in direct contact with the Isle of Man COVID-19 111 Team who will provide you with all of the information you will need.

In the case of an emergency please call 999.

Q6. If I need to rearrange my travel due to an extended stay on the Island and I need to change my travel arrangements, how do I do this?

You will need to make direct contact with your airline or Isle of Man Steam Packet Company to arrange this.

Q7. If one of my travel party, family member or friend tests positive, do I also need to isolate?

This will depend upon the situation. The person who has tested positive for COVID-19 will be in direct contact with the Isle of Man COVID-19 111 Team and they will provide the help and guidance to other members of the travel party, as required.

Q8. What happens if I do not follow the rules and refuse / break guidance from the Isle of Man COVID-19 111 Team to self-isolate?

When on the Isle of Man, failure to adhere to the conditions of your self-isolation is an offence under the Public Health Protection (Coronavirus) Regulations 2020. If you break your period of isolation this will be treated as a criminal matter.
