Double room – ensuite with walk in shower

Double room

Double room

Family bathroom with bath and shower over

Parking is available at the front of the property.

The property is accessed by 2 steps into the porch, and then a further 4 steps into the hallway. There are 2 steps down into the lounge, dining room and kitchen.

The dining room has a very large table with enough eating for 18 people. There is also enough sofa and chair seating in the lounge area for 18 people.

The dining area has two sets of double doors opening onto a patio, with two steps down onto that.

All the bedrooms are on the first floor and second floor.

The first floor is accessed by 17 stairs, low profile in nature with good hand rail.

The second floor is accessed by 18 stairs, low profile in nature with good hand rail.

Due to the stairs and steps in ground floor areas those with restricted mobility may experience difficulties in this property however all stairs are low profile in nature and half the depth of a normal stair.

Licensed assistance dogs are permitted with prior arrangement at the time of booking.
