

Accessibility Statement – Aalin Thie

Aalin Thie ground floor apartment is set over one floor making the property suitable for wheelchair users and the infirm.

The internal doorways are 30". Unfortunately, it is not possible to put a wheelchair alongside the bed due to the size of the bedroom. The ensuite has a sealed spa shower unit installed with no room for grab rails. The family bathroom has a Jacuzzi bath with shower over. The first floor apartment has a flight of stairs to access
