

Accessibility Statement - Bridson House Holiday Apartments

We have on-site off-street parking located at the front of the building for use by guests. Bridson House as apartments located on both the ground floor and first floor.

The two apartments located on the Ground floor have a small step into each property, making them suitable for the less mobile as there are no stairs to negotiate. The two first floor apartments are only accessible by a staircase which has 13 steps, and one handrail up to the communal landing.

All bathrooms have showers over the baths and there are grab rails in situ. Taps in all apartments are of the traditional twist type, however Apartment 1 has cantilever taps in both the bathroom (bath and sink) and the kitchen for those guests who have dexterity issues.

Unfortunately, as we have narrow doorways and corridors which would make it difficult to manoeuvre, we are unable to accommodate full time wheel chair users.

Please contact us to discuss any requests or requirements that we may be able to assist with and we will endeavour to accommodate.

Assistance Dogs

Unfortunately, due to severe health issues of the owner we are unable to accept assistance dogs.
