

## **ACCESSIBILITY STATEMENT – LANGNESS LIGHTHOUSE COTTAGES**

All our cottages allow for a vehicle to drive up to the doors of the properties.

### **Herring Cottage**

Herring Cottage has a step up at the front door but inside is entirely on one level. The bathrooms are user-friendly, walk in wet-rooms.

### **East Cottage**

East Cottage has a step up at the front door but inside is entirely on one level. The bathroom is a user friendly, walk-in wet-room.

### **West Cottage**

West Cottage has no step up to the front door and, apart from a step from the entrance room (the kitchen) the cottage is on one level. The bathroom has a walk-in shower as well as a standard bath.
