

Pinfold Holiday Cottages

Accessibility to all units

Pinfold Holiday Cottage has 6 steps to the front of the unit and 2 steps at the rear through a patio door to the bedroom. We have an aluminium wheelchair ramp with hand rail that has to be moved into position each and every time due to the patio door opening outwards. The cottage itself is on the one floor throughout there is a bath with shower over and removable hand holds are available. Door within the building have standard openings.

Cott Pundail is an upside down house with shower and bedroom on the ground floor. This floor has 2 standard door openings. There is a step over door section to gain access and there are 12 internal steps to get to the 1st floor. The open plan kitchen diner there is a handrail on the right hand side of the staircase. The kitchen diner leads to a pleasant garden where is a further 5 steps to get to the garden area.

Queeyl Ushtey is a one bedroom apartment accessed by 15 steps to the rear of the property with a hand rail to the right, while inside the property is on the one floor with standard door openings.

Parking there is ample parking for 3 cars within close proximity to all the units. A bus stop is immediately outside and the tram stop, while close, is difficult to access unless by foot, by crossing the track so it is better to go to the main Laxey tram stop.
