

Accessibility Statement - Apartment 1, Derby Court

Access for a full time wheelchair user may prove difficult; although it is ground floor there is a tight turn to get to the front door of the Apartment.

The Apartment is 'Allergy Free' so we do not offer a stay for pets or service dogs. There is only the 1 Apartment so unfortunately do not have alternative to offer.

There is an intercom system from outside but a permanent wheelchair user may not be able to reach the buttons.

There is parking outside the Apartment but no dedicated disability space.

Regarding showers in the en suites each one has a step in they are not wet rooms.

However, there will be handle levers placed next to toilets for this next season and in the kitchen a cordless kettle replacing the one we have at the moment.

The apartment is not suitable for small children as it is in a complex with older residents.
