

Endfield House
Port St Mary, Isle of Man
Accessibility Statement:

- Endfield House has 11 steps from the front street level up to the front door.
- There is a garage in the rear to park a single car, with additional car parking on the street in front. Exit to the rear garden from the garage has 3 steps down, and the rear entrance has one step up. The house is well lit.
- The ground floor is carpeted except for the kitchen, bathrooms and utility room. The utility room has one step down from the kitchen.
- The bedrooms are on the first floor. There are two sets of stairs with handrails to the first floor bedrooms – one with 12 steps, and another with 4 steps.
