

**Accessibility statement from Yvonne Marshall**  
**re:Garden Cottage Jurby East (Self-catering)**

As the cottage is ground floor only, it is suitable for guests who cannot manage stairs. There are no steps up to the entrance door and no steps inside the cottage.

However, the free standing bath is quite high and may be a problem for guests with limited mobility.

The shower is raised by approx 6" and may similarly be difficult to manage.

Due to the narrow hallway, it is not possible to turn a wheelchair into either the twin room or bathroom, so is unsuitable for permanent wheelchair users.
