

## **Accessibility Statement**

### **Site Access**

There is a road way throughout the campsite with access to two carparks. All our camping areas are on grass i.e. motorhomes/caravans/tents.

### **Camping Facilities**

Camping pitches are situated on grass areas. Assistance can be given with pitching tents if required.

Most camping areas have water stand pipes. Electric hook ups are available on the motorhome/caravan area. Refuse bins are available throughout the site.

There is a chemical disposal point on site but not wheelchair accessible, however assistance can be provided upon request.

A refuse compound with recycling bins are available on site adjacent to the toilet/shower block.

Fire points are readily available around the campsite.

Washing up facilities are available in the amenity block, unfortunately due to the narrow access to this part of the building we are unable to accommodate wheelchair users.

When booking specific arrangements to accommodate individual requirements can be made by contacting the campsite on +44 (0) 7624330360 or via email on [glenwyllincampsite@outlook.com](mailto:glenwyllincampsite@outlook.com).

### **Toilet and washing facilities**

There is one toilet block/shower block on the site. Each have male and female blocks and each block has 5 toilets/showers.

These facilities are suitable for wheelchair users. One toilet in each block is for disabled use.

The shower blocks have automatic lighting and the toilet blocks have an easy access switch light system.

For further information please contact the campsite on +44 (0) 7624330360 or via email on [glenwyllincampsite@outlook.com](mailto:glenwyllincampsite@outlook.com).
