

Accessibility Statement – Accommodation

Ashfield Guest house is located at the top of Broadway, which is a bit of a steep climb to get too. We are on the bus route however, once outside the property, there are roughly 10 steps leading up to the main entrance and then a further 10 steps to the first landing. Regrettably, our premises are not suitable for wheelchair users, due to the bedrooms being on a number of different levels, none are ground floor. We are an old Victorian house on 5 floors. There is no stair lift, lift, or ramps within the property.

There is no designated accessible bays or drop off areas for disabled customers as we are in a residential area. Parking is with permits only, or disc zone for 2 hours maximum, during day time hours.

We can cater for specialist dietary requirements if we are notified before arrival. Please contact us to discuss any requests or requirements that we may be able to assist with and we will endeavour to accommodate.

We welcome service animals into our property
