

Ballagarrow Cottage Access Statement

- Parking is directly in front of the property and to the side of the entrance ramp/pathway
- There is an upward incline ramp to access the cottage with no handrail
- There is a small strip into the cottage (doorway)
- All rooms are on one level; doors are not wide enough for wheelchair access.
- Handles on the doors are both twist and lever
- Outdoor lighting
- The bathroom is fitted with a shower unit (no handrails in the shower room)
- There is no hearing loop
- Service animals welcome

Unfortunately we are unable to accommodate wheelchairs as both the entrance porch and the internal doors are not wide enough.
