### ACTIVITIES

- At the end of the summer be sure to bring along a container to pick blackberries. There are plenty along the way.
- What is your favourite thing to make with your blackberries? Why not send us some photos to share online - [ourisland@gov.im](mailto:ourisland@gov.im)
- Can you spot the standing stone? Can you think of anywhere else on the Island you might have seen one before?
- Look out for wallabies!
- Cloud watching – what shapes can you find? Why not take some pens and paper and try to draw some of these outlines, when you get home you can glue cotton wool onto these to make your own cloud memories.
