

Dalby Hub Hostel:

Accessibility Report :

The Dalby Hub Hostel and village exhibition space is accessible for those with partial mobility.

Car parking is available on the road immediately in front of the building and can be reserved on request

The approach to the Hostel has a small step off the road onto a concrete path which has a steep incline . (It is intended that by the start of the season a hand rail will to be fitted to assist those with partial mobility) The path is in good condition with a step at the end of it and slightly irregular paving flags at the entrance to the building. There's another shallow step into the building. There are no steps in the public space of the building.

There is an adapted toilet with mobility aids, and a walk in shower with a slight step into it.

Assistance Dogs are welcome.
