

Disability Access Statement

Laxey Quarry Road Campsite

Location

Located on the south facing side of the Laxey Valley, on the side of a hill with a steep approach from Minorca Hill and approximately 10 minutes walk from the beach and approximately 15 minutes walk from the village centre.

The site caters for predominantly for tents and camper vans, caravans are accepted at certain times of the year and will need the relevant permission from the Isle of Man Government. For further information on bringing caravans to the Isle of Man please follow the link - <https://www.gov.im/news/2015/apr/02/new-permit-system-to-control-use-of-towed-caravans/>

The site is located 5 mins walk from the Manx Electric Railway Minorca halt and 5 mins walk from the Minorca Crossroads bus stop. For further information on bus and rail timetables please visit isle of Man Bus and Rail by following the link -

<https://www.gov.im/categories/travel-traffic-and-motoring/bus-and-rail/>

The site is also accessible by taxi from both the airport and ferry terminal.

Site Access

Pedestrian and vehicular access is via Minorca Hill and Quarry Road. Quarry Road is a quite single carriageway residential cul-de-sac with no pavements. Parking for vehicles is available on site. The site is mainly grass with gravel and concrete walk ways.

Touring and Camping Facilities

Camping pitches are situated on a gently sloping grass area, with a dedicated hard standing for Camper vans. If requested assistance can be given pitching tents and awnings. Parking is allowed beside tents and caravans, however during busy periods such as TT and Festival of Motorcycling this may be restricted.

Water stand pipes, chemical toilet disposal points, a refuse compound with recycling bins and fire points are available on site.

Washing up facilities are available in the amenity block, unfortunately due to the narrow access to the building we are unable to accommodate wheelchair users.

When booking specific arrangements to accommodate individual requirements can be made by contacting the campsite warden John Bate on 07624 499281.

Toilet and Washing Facilities

There is one toilet block/shower block on the site. Unfortunately we are unable to accommodate full time wheelchair users as there are 5 steps leading to the W/C and shower building. The facilities have anti slip flooring and automatic lighting.

For further information please contact the campsite warden John Bate on 07624 499281.
