

GARDEN WALK SELF-CATERING ACCESABILITY STATEMENT

Garden Walk self-catering accommodation is a ground floor apartment, with its own private entrance, which is at the rear of Vollan Garden, a recently constructed dormer bungalow.

Parking is available on our drive at the front of the bungalow.

Access is gained via a paved path around the side of the bungalow, up 2 steps and through a pair of French doors. The rear garden is up 3 steps. These aspects could make it difficult for visitors of reduced physical mobility.
