### **Accessibility information:**

Glen Truan is accessed via a country lane, which is uneven under foot.

A large car park is available, topped with a stone and gravel surface.

Visitors are directed down a gravel pathway leading to a wooden chalet clubhouse. This includes passing over a grass surface.

The clubhouse is accessed via a ramp, with handrails.

Seating is available for 28 diners.

There are two bathrooms, one with a disability frame around the toilet.

Outdoor seating on grass is also available, with space to push wheelchairs up to outdoor tables.

Indoor and outdoor games including croquet are available to enjoy on site.

There is a grass driving range approximately 280 yards in length.

The golf course is currently undergoing renovation & not open to play.

Wildlife tours take place on site, with automatic two-seater buggies available to hire. Hire includes insurance and use of RSPB bird identification guides, plant identification guides and binoculars. All users must be able to transfer into the tour buggy from their mobility aid. Tours offer the opportunity to see rare and endangered bird species, including on a stunning lake & lowland heath. The tours are ideal for persons requiring assistance with mobility.
