Entrance to the main building and reception

The main entrance is located at the front of the building (K block on the map on page two). Door width is 140cm. Vehicles can stop here to drop off passengers and baggage. The entrance is well lit. There are a couple of steps up and into the main entrance and there is also a ramp for wheelchair users. Our reception is located immediately within the entrance.

Parking

There is ample free parking right in front of our reception and right next to the 'campsite'. We also provide around the clock security patrolling parking areas and the adjacent campsite.

Toilet and shower facilities

There are toilets and showers situated around the side of the school building (Gym on the map). Door width is 80cm. These are accessible from the outside and there are no steps or ramps needed to access them. There is also a disabled bathroom with toilet and shower located in the changing rooms by the swimming pool next to reception (K block). Door width 170cm.

Other Facilities

Breakfast is sold from a small cafe located in K block right by reception which has a small ramp leading down to it.

Swimming Pool – The swimming pool is located at the rear of K block and is accessible to anybody (no steps or ramp). During opening hours we provide a lifeguard. No disability assistance will be provided for use of the pool.

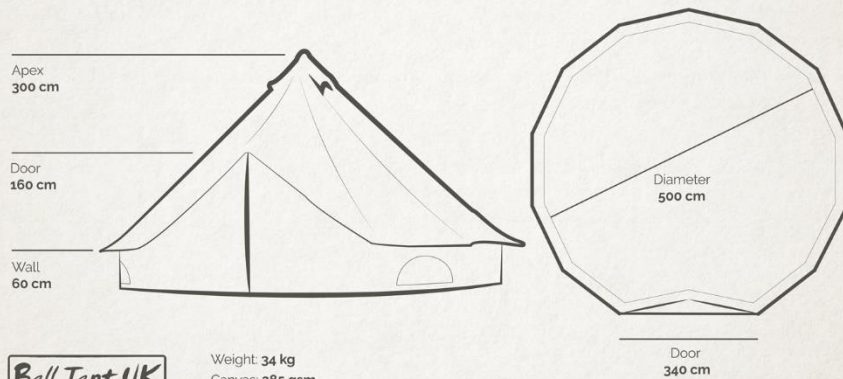

Campsite

The campsite is located on the school playing field (shown on map). This is accessible by steps and ramps.

Bell Tents

We use 5M bell tents – the door height is 160cm and width is 340cm which is more than big enough for a wheelchair to gain access. Please see full measurements of our bell tents below.
