

## Access Statement

**Below is our access statement which clearly outlines the steps we are taking to ensure our service is as accessible to as many people as possible.**

- Age Requirement: Users of the mobile sauna must be at least 16 years of age or accompanied
- Users with medical conditions, or users who are pregnant should consult a doctor before using any sauna.
- Disability Considerations:
  - We are based on Shore road, Port Erin - with ample nearby parking including disabled spaces.. During busy periods during summer these spaces fill up fast and you may need to park away from the seafront, so please take this into consideration.
  - Due to the mobile nature of the sauna and its raised elevation there are five steps that need to be climbed in order to enter the sauna. We have a handrail for increased support and we endeavor to allow as many people as possible to enjoy the experience. If you're concerned you may have accessibility issues please call us on +44 7624 240905 and we would be more than happy to discuss how the sauna operator can assist with any accessibility requirements.
  - There are public toilets nearby with one step up into them. We provide drinking water if you bring your own drinking container, as well as a fresh water shower so you can rinse off after your visit should you wish. Near to the sauna there are many opportunities to grab some refreshments such as ice cream, coffee, sandwiches and snacks.
