

Document: Pargys Access Statement

Date: 7 June 2022

Version: v1

The staircase is quite steep and the main bedrooms and bathroom are on the first floor. A number of areas in the garden are accessed via a single step. As a result the property is not well suited to wheelchair users or persons with mobility issues.

We do not accept pets, however if you want to bring your assistance dog please contact us to discuss your requirements.

There is on street parking just a few metres from the property, with level access to our front gate.
