

Shee Dy Vea

Access to the House is as follows:

There are 10 steps to the front door of the house, however a sloping driveway can be found to the side of the house with one step from that to the side door. The driveway is fairly steep.

One Small step into the property (doorstep) takes you into the hallway.

All bedrooms are on the ground floor.

There is an upstairs lounge room, this is an additional room to the main lounge.

The bathroom has a walk in shower

There is a patio to the rear of the property with access from the kitchen by means of a door and a step down. There is a decking area to the rear of the property with eight steep steps up to it.

All doors are handle doors.

Parking is available on the road and the layby across the road.

The area is lit with street lights and the property is clearly identified by the house name

Whilst wheelchair users are welcome, access from the road is up a fairly steep driveway.

We do not accept pets, however we do accept assistance dogs, please contact us to discuss your requirements.
