

***The Cottage, Bridge House*.**

We would like to make everyone's stay as enjoyable as possible. Our guide outlines the access to, from and within The Cottage and the facilities available.

The Cottage features a lounge/kitchen/dining area, bedroom and bathroom.

Access

The main entrance to The Cottage has a step up of approx. 20cm and a secondary step of 10cm. The door width is approx 70cm and the corridor is approx 103cm wide.

Bedroom

The Cottage has one bedroom with a double bed.

Bathroom

The bathroom is rectangular shaped and measures approx. 2m x 1.5m and has a separate shower.

Hearing

The TV is a smart TV which has subtitles available (although this varies according to the broadcaster.)

Visual

Visitor information is in large print.

General

Phone number provided for emergency contact and broadband internet access is available in the guest handbook.

Disclaimer: we do have sister apartments (next to the cottage on the same site) that are a ground floor apartment and first floor apartment, please look for The Workshop or The Apartment Bridge House.

We hope you enjoy your stay.
