

ACCESSIBILITY STATEMENT

The River House was built in the 1840s and has not been specially modified for anyone with a disability. However, there is a ground floor suite which might be suitable for a guest in a wheelchair up to 27" wide. A car can be parked quite close to an outside ramp which goes around the house leading to french windows with a 6" high stone step and 4" door threshold.

There are french windows in the sitting room and the bedroom. The bed is 5' wide and is 2' high. The door to the bathroom is 27½" wide. The WC seat is 16¾" high and bidet edge is 15" high. There are no hand rails in the bathroom. The bath edge is 20" high and has a moulded seat at one end. There is a 6" step down into the shower cubicle.

The guest dining room (the Garden room) involves a journey along a hallway and through the kitchen, with one step down. The narrowest doorway is 27".

Assistance dogs are welcome.
