

Set off on your adventure to discover

THE VIKING OF BALLADOOLE

Can you spot the outline of the Viking burial site? In 1945 a Viking was discovered along with his trading boat and belongings. What possessions do you think were found with the Viking?

BALLADOOLE MONUMENT SITE

BALLADOOLE HOUSE

POOL VAAISH

POOL VAAISH QUARRY

Try and create your very own mini Viking longboat using some leaves, bark and twigs. Try it out on the nearest puddle to make sure it floats! Be sure to send a picture of your Viking Longboat to us using **#IOMEXPLORERS**

CRONK Y WATCH

PROMONTORY FORT

SCARLETT FARM

Grab your wellies and get ready to explore. Head off the beaten track and stomp in the muddy puddles and mini ponds leading to the historic Viking burial. Make sure to count how many muddy puddles you stand in!

SCARLETT

CAR PARK

Start Here

What noises can you hear along the route? Can you hear the squelching of your wellies? The rustling of trees? The buzzing of bees? The splashing of waves? Did you hear any other sounds?

BURIAL GROUND

VISITOR CENTRE

COASTGUARD TOWER

Look around you, what do you see? Can you identify which things are man-made or human features, and natural or physical?

THE STACK

Millions of years ago a volcano erupted here at Scarlett Point! Try and see if you can spot tiny vents and fissures upon the surface of the rock formation whilst on route, where magma once flowed to the surface.
