

Help guide the lost woodland fairies and elves to THE WIZARD OF MANN

Make your own magical wand, so you can cast spells as you go on your adventure! Find a unique, wooden stick, and decorate it using leaves, feathers and anything else you can find, before venturing deep into the woods.

Where do you think a woodland fairy or elf might like to live? Under a tree? In the shadows? Under a stone? When you have found the perfect place, try and create a home for them using a handful of sticks and fallen leaves.

Start Here 

Well done on guiding the lost fairies and elves to the magical Wizard of Mann! Throw a tiny tea party to celebrate. Find some fallen leaves, twigs and grass, and see what delicious food and cutlery you can make for the fairies and elves... just don't eat it yourself!

Using your magical wand, stir up a magic potion by finding a variety of ingredients from the woodland floor. Try and find things that are crunchy, prickly, furry and smooth. Mix them all together before making a wish!

Can you spot the Wizard of Mann with his long flowing locks and fuzzy beard? The Wizard of Mann loves to read and write fairy tales. Why don't you take a picture with him and then when you get home write a few lines about your adventure today and share it with us on facebook using **#IOMEXPLORERS**
