

### **Wyllin Cot - Access statement**

Wyllin Cot is a modernised 18<sup>th</sup> Century traditional Manx cottage with luxury home comforts.

The cottage is located in the beautiful and quaint village of Glen Wyllin.

It is a short walk from the nearest bus stop and 20-30 minutes by car or taxi from either the Ferry Terminal in Douglas or the Airport in Castletown.

For a bus timetable and current fares please take a look at this link

### **Wheelchairs and wheelchair access**

Unfortunately, we are unable to accommodate wheelchair users based on the age of the property and its original features.

The cottage has narrower entrances than a modern build and a narrow but small stair case with some low level ceiling beams.

It would therefore not suit anyone that isn't fully mobile.

### **Car parking**

There is a small car parking space diagonally opposite the cottage and there is free parking surrounding the property too.

### **Bedroom**

The bedroom hosts a double bed with a low ceiling beam on one side.

There are bedside and unit lamps for lighting.

### **Toilet/sink**

This is downstairs behind the kitchen and also houses a washing machine.

### **Washing facilities**

We have an adorable free standing bath that you can sit in with a shower head for washing purposes.

### **Dogs**

You are welcome to bring any well behaved pets to the property. Maximum of two dogs.
