

Thie-Ma-Chree, Fairy Cottage

Thie- Ma-Chree is a one bedroom self-catering cottage with sea views, situated on the road from Onchan to Laxey. The bus stops and tram stops are very close for those without their own transport, however, the property does have its own driveway for those wishing to travel by car.

The cottage is accessed by 1 step into the conservatory and 2 steps into the main living area. The kitchen and bathroom are off the living area. The bathroom has a corner bath with hand held shower facilities. The facilities in the kitchen include a washing machine. Due to the size of the kitchen and the bathroom the property may be unsuitable for wheelchair users.

The conservatory has fabulous sea views and also overlooks the electric railway and tram stop. A low wall prevents the property from being suitable for small children.

Outside is a gravelled garden area with a table and chairs.
